- *Forbes* named Kenyan Njeri Rionge one of Africa's "most successful and revered serial entrepreneurs." Over the past 20 years, she has co-founded five multi-million dollar companies, including Wananchi Online, a leading Internet service provider that has become East Africa's leading cable, broadband and Internet-based phone company.
- Rionge also founded Ignite Consulting, a thriving business consultancy; Business Lounge, Kenya's leading startup incubator; Ignite Lifestyle, a health care consultancy; and Insite, one of Kenya's most successful digital marketing outfits.
- Kenyan women are also committed to helping other African women succeed in business. The Kenya Women Holding offers business mentorship, leadership training and formal banking services to women to assist them in forming their own small businesses.
